Rendell Awards Smallest Round Of Growing Greener Grants

Gov. Rendell this week announced the awarding of \$14.1 million in grants for 87 projects in 36 counties-- \$8.13 million from Growing Greener Funds, \$4.17 million from the U.S. Environmental Protection Agency and \$1.8 million from forfeited bonds from mining companies.

The combined state and federal investment is being matched by more than \$6.7 million from outside sources.
