### **Computer Upgrade May Disrupt March 28 PA Environment Digest Delivery**

Crisci Associates is upgrading its computer and Internet connection. The result may be a disruption in the delivery of the March 28 issue of *PA Environment Digest*.

If that happens, [Click Here](#) to see a copy of the March 28 issue at it's usual delivery time on Friday, March 25.

We apologize for any inconvenience!

### **Budget: DEP Set To Do Over 40 Percent More Marcellus Shale Inspections This Year**

Acting Department of Environmental Secretary Michael Krancer told the House Appropriations Committee his agency is set to do over 7,200 inspections of Marcellus Shale natural gas wells this year, a 44 percent increase over last year.

Krancer also said the first meeting of the Governor's [Marcellus Shale Advisory Commission](#) will be March 25 and the meetings will be open to the public. The meeting will be held in Room 105 Rachel Carson Building starting at 10:30. (*formal notice*)
